Bulk Farm: A Dream Is About To Become A Reality

In 2008, the Plainsboro Township Committee had the objective to purchase an 84-acre property located on Cranbury Neck Road, formerly known as the Bulk Farm. For many years the farm served as a nursery and was owned by the Bulk family. The goal of the purchase was to preserve and protect valuable open space. "In Plainsboro, approximately 51% of all of our land area is preserved as open space and will not be developed. When it was purchased back in 2008, the Bulk Farm represented the last large land parcel to be preserved in fulfillment of the township's ambitious Open Space Master Plan," according to Deputy Mayor Ed Yates, liaison for Planning and Community Development.

The township is currently transforming the former 84-acre private farm and abandoned nursery, that borders the Millstone River, into a passive, educational nature site with hiking trails and bird observation areas for the general public. The plans will restore the beauty of this municipally owned property with the addition of a new parking area with handicapped spaces, signage, maps, trash and recycling receptacles, and maintained trails that are in keeping with established standards. The end product will be a place to enjoy nature, listen to the songs of, and discover the many, many bird species, view the indigenous plants, and see mammals such as fox and deer - that already roam the fields.

The township engaged SED Design, a landscape architecture firm to help identify the necessary improvements including: trail design, wildlife protection concerns, parking, benches, signage, etc., and hired Najarian Associates to assist the township with environmental regulatory permit requirements. Past agricultural pesticide use resulted in the need to remediate a small section of acreage and the township received a state grant for cleanup. In October of 2022, the township hired Clarke Moyinishan Landscaping & Construction, LLC to construct the improvements in the nature area, which are underway now.

The purchase of the land was made possible through a partnership with Middlesex County and Plainsboro Township. The County provided the majority of the funding, $2.7 million, with the remaining $300,000 coming from the township’s Open Space Preservation Fund. Maintaining the balance of open space and development has long been a priority of the Board of County Commissioners. “It is exciting to see municipalities like Plainsboro make a similar commitment to maintaining the quality of life of residents, giving them access to enjoy the property while continuing to protect the unique natural features important to plants and wildlife. We are glad to see the progress Plainsboro has made since the property’s acquisition and look forward to seeing the future of that site,” said Middlesex County Commissioner Director Ronald G. Rios.

“The Bulk Farm Nature Center will make yet another open space area available to our residents. We are very grateful to all the stakeholders that have gotten us this far; the township employees who have stayed focused for years on this project, the State of New Jersey, and Middlesex County. We couldn’t have accomplished this without them,” stated Mayor Peter Cantu.

The Bulk Farm Nature Center is planning to open in the spring of 2023. For more information and announcements, go to the township’s website - https://www.plainsboronj.com/
Did You Know?

Did you know that the Plainsboro Community Energy Aggregation program continues despite high energy prices? The township launched the Plainsboro Community Energy Aggregation (“PCEA”) program in 2016 for the purposes of aggregating residents’ electric accounts into a single buying pool to purchase electricity supply, at a reduced rate. Since its inception the PCEA has saved participating residents an estimated $3 million as compared to the PSE&G tariff price; in addition, beginning in 2019 the PCEA program provided power supply with enhanced renewable energy content, thereby reducing the township’s carbon footprint. The most recent and third round of the PCEA ended in May 2022. In March 2022 the township bid for a 4th contract. Unfortunately, due to skyrocketing energy market prices, we were unable to obtain favorable pricing and, as a result all PCEA participants were returned to PSE&G supply, the current lowest cost option, effective May 2022. The township and its energy agent, Gabel Associates, Inc., have been closely monitoring the energy market for updated savings opportunities since that time. “The township will go back out to market as soon conditions warrant, and will notify residents if and when a new contract is signed and the program is again active,” stated Committeeman and Environmental Liaison Neil Lewis. Please monitor the township’s website for any updates.

Did you know that Plainsboro adopted regulations that require new development to include electric vehicle charging stations? The state is now requiring new development to include electric vehicle charging stations and Plainsboro adopted its own ordinance this past September. The township currently has 10 charging stations throughout the municipality, including six at town hall.

Food Pantry In Need of Spring and Summer Donations

The Plainsboro Food Pantry is currently serving 55 families who are going through difficult times. We distribute food every second and fourth Thursday of the month. “Even though we cater to Plainsboro residents, we do our best to assist anyone who comes through the door”, stated Township Committeeman Nuran Nabi. “We happily provide guidance to nonresidents to reach out to the surrounding food pantries and other facilities where they can get assistance while we offer them an emergency food bag. Residents are also given an emergency food bag while their application is being processed. We encourage anyone who finds themselves financially challenged to ask for assistance. We are here for you.

Fortunately, we live in an amazing, kindhearted community that works with pantry staff throughout the year to identify pantry needs and provides generous donations. We are blessed to receive donations from residents, small businesses, corporations, churches, temples, mosques and nonprofit organizations from across the state and, from time to time, out of state. With packing and providing over 100 bags every two weeks, goods tend to run low especially through the spring and the summer months. We encourage our community to come forward and continue to donate.

For more information call 609-799-0909, extension 1711 or visit https://www.plainsboronj.com/242/Food-Pantry

2023 Bulk Waste Events

The first Bulk Waste Day of 2023 is scheduled for Saturday, April 1st, from 8:00am – 5:00pm.

Residents can dispose of specific items at the Plainsboro Conservation/Recycling Center, located off of Grovers Mill Road, between Derry Meeting Drive and Orchard Lane. Items accepted include e-waste, white goods, bicycles, lawn mowers, furniture, wood scrap, and other bulky items. Regularly recycled items are NOT accepted (e.g. cardboard, plastic bottles/cans, & metal bottles/cans). Construction and demolition debris are NOT accepted, but residents are allowed to dispose of small quantities of masonry and paving items. Proof of residency is required.

The three remaining Bulk Waste Days in 2023 are scheduled for Saturdays, June 10th, August 12th and November 4th.
Township Hires New Planning Director

Bonnie N. Flynn joined the Plainsboro team on October 31, 2022 as Director of Planning and Community Development. Bonnie replaces Les Varga who retired at the end of November after serving the township for more than 15 years.

Bonnie has been in public service since 2003 when she began her planning career as an Assistant Planner with the Morris County Planning and Development Department reviewing development applications. From there she went on to work for the New Jersey Department of Community Affairs - Council on Affordable Housing as a Senior Planner reviewing municipal housing plans. Bonnie gained experience working at the local level first in Stafford Township as Community Development Director and then Bloomfield Township as Planning Director. In Stafford Bonnie wore several hats including Zoning Officer, Floodplain Manager, Affordable Housing Coordinator and others. She was on the township’s Office of Emergency Management team and was the shelter manager during Hurricane Sandy. Hundreds of homes were destroyed or damaged by Sandy and Bonnie was the main point of contact during the rebuilding effort. In Bloomfield, Bonnie was responsible for various township services including the Construction and Zoning permit office, grants, rent control, Historic Preservation Commission and the township’s substantial redevelopment program.

Bonnie received her BA in History and Geography from Rutgers University. Before obtaining her Masters in Planning from Rutgers’ Edward J. Bloustein School of Planning and Public Policy, she was the Executive Director of the Middlesex County Chapter of Habitat for Humanity. Bonnie is a licensed Professional Planner in the State of New Jersey and Certified Planner with the American Institute of Certified Planners. She is also a Certified Floodplain Manager and holds a Zoning Official certificate from the Center for Government Services at Rutgers University.

Bonnie is an excellent match for her new position and looks forward to continuing to serve the public in Plainsboro.

Welcome Bonnie!

Youth Arts Month

Youth Arts Month is a national celebration emphasizing the value of arts education in developing self-esteem and essential self-expression skills. Throughout the United States, exhibits, awards, and special events annually showcase the artistic abilities of young people.

Plainsboro Recreation is again happy to partner with the WWP School District to display the artwork of the youth of our community. Selected artwork from students in Kindergarten through twelfth grade will be on exhibit at the Plainsboro Recreation and Cultural Center. A reception will be held at 6:00 pm on Monday, April 17th for elementary schools, and at 6:00 pm Tuesday, April 18th for middle and high schools* to acknowledge the young artists.

Visit the Plainsboro Recreation and Cultural Center in the municipal complex during the month of April and see all of the wonderful artwork created by the talented students in our school district.

*Reception dates/times subject to change/cancellation

2023 Founders Day - Saturday, May 6th!

On Saturday, May 6th, join us for Founders Day, the celebration commemorating Plainsboro becoming an independent municipality in 1919. Festivities begin at 12:30 pm with a parade starting at Waters Edge Park, traveling along Edgemere Avenue and Plainsboro Road, and ending at the municipal complex. Enjoy live entertainment, music, dance, magic, super inflatables, exhibits, local history, and more. Food and beverages will be available for purchase from local non-profit groups. Rain date is Sunday, May 7th.

Plainsboro Road, in front of the municipal complex, will be closed throughout the afternoon. Parking will be available across the street at the Enterprise Office Center and traffic updates will be posted at www.plainsboronj.com. For event information, call Recreation and Community Services at 609-799-0909 x1719. For traffic and parking information, contact the Police Department Traffic Bureau at 609-799-2333.

Founders Day returned last year after a two-year hiatus due to the pandemic. The kick-off parade is always a crowd favorite!
What’s Happening at the Plainsboro Preserve?

For the past several years we have been celebrating National Kids to Parks Day, and this year will be no different. Along with hundreds of thousands of children nationwide, we will be commemorating the National Park Trust’s annual Kids to Park Day and encourage families with children of all ages to come out to the Preserve on Saturday, May 20 from 10:00 am – 2:00 pm for a fun filled event learning about animals and insects, exploring the trails, and more.

Two local scouts from Boy Scout Troop #759 have been busy this past fall and winter. Thanks to Ruthvik Atte, when you hike along the Blue Trail you will find a new set of steps connecting higher and lower portions of the trail. A thank you goes out to Karol Porbeni who added a beautiful fence and a second arbor around the Meditation Garden.

There are several Citizen Science Projects that are happening throughout the spring and summer months at the Preserve. Citizen Science projects are important not only for us here at the Preserve but for many national studies. At the Preserve, the projects provide information about the flora and fauna which will help us gauge the health of the Preserve and will assist us in setting up a management plan.

The projects include the following:

- **Frog Monitoring Survey - Mid February to August:** Volunteers go out on a weekly basis and listen for frog calls. Recording the different types and numbers of frogs that they hear will allow us to build a list of the frog species found at the Preserve.

- **Nest Watch Program - April 1 to August:** Volunteers will monitor anywhere from 2 to 10 bird boxes on a weekly basis to check and record what is going on in each box. The data is then entered on the Cornell University’s NestWatch site.

- **Forest Plot Monitoring - Two years ago a Scout installed 4 different 10x10 foot Forest Study Plots on the Yellow and Green Trails.** These plots were installed as test sites to determine the health of the forest. We now want to maintain and monitor the spread of invasive plant species as well as the health and growth of the native plants that are within each plot.

For more information, visit www.plainsboronj.com, email preserve@plainsboronj.com or call 609-799-4013.

Efficiently Watering Your Lawn

Properly watering your grass is vital for a healthy good looking lawn. Using water effectively and efficiently is not only beneficial for the grass, but also the environment. The following five simple tips provide efficient watering techniques:

- **Water your lawn in the early morning; many experts suggest between 4:00 am – 10:00 am.**

- **Water your lawn twice a week; too much watering can lead to fungus and shallow roots.**

- **Water your lawns with a timer; therefore you don’t need to remember to turn off the water.**

- **Don’t water your lawn while it’s raining or immediately after it rains.**

- **A typical lawn needs 1 – 1 ½” of rain on a weekly basis. Learn how long it takes for your lawn to obtain and percolate this amount of water.**

Correctly utilizing your water does not stop at the sprinkler. Implementing proper mowing and fertilizing practices also help reduce the amount of water required for your desired lawn. “There is no downside with these recommendations; saving water is a universal goal,” states Township Committee member David Bander. Information on the state’s water supply is found on the NJDEP website, www.nj.gov/dep/drought.

Meet Mehr Narula,
Plainsboro Preserve’s Newest Intern

We are excited to introduce our new High School intern, Mehr Narula. Mehr is a senior at WWP High School South who will be interning at the Preserve from February to June. Mehr wants to focus on human relations and employee and international relations in college and wanted to get some added experience before entering in the fall.

Here at the Preserve Mehr will be working on our Volunteer and summer staff handbooks as her main project, and will also be helping us develop our volunteers. Stop by to visit Mehr on weekday afternoons.

Plainsboro Reporter

www.plainsboronj.com
Summer Camp Registration Opens March 6th

The township’s Plainsboro Recreation Camp will offer four different two-week sessions for children entering grades 1-6 in the 2023-2024 school year. Each session will have its own theme, field trip, field day, and special event. The camp also provides a variety of activities such as arts and crafts, multi-cultural games, fitness, science and nature, as well as swimming.

For preschool children, 4-5 years old who have not attended kindergarten, the Pre-K camp will also offer four different two-week sessions. Each session will have its own theme, field trip, water day, and special event. Pre-K camp provides a full morning of interaction for social, cognitive, and physical growth in a fun, nurturing environment.

Academic, performing arts, and sports camps are offered for various ages through partnerships the Township has with non-profit organizations. Recreational Arts, Inc. will offer camps for children entering grades 1-9 which will encompass acting, singing, and dancing; Plainsboro Academic Camps, LLC will be offering Science Olympiad and a Math Camp; US Sports will hold tennis and multi-sport camps.

Camp registration will begin on Monday, March 6th. Residents can register online from the township website, www.plainsboronj.com, or in person at the Recreation and Cultural Center for assistance during business hours, Monday – Friday, 8:30 am – 4:30 pm as well as Tuesday and Thursday evenings from 4:30 – 8:00 pm. Camps are open to West Windsor and Plainsboro residents and children of Plainsboro-based business employees. The camp season starts on June 26th.

Further details regarding summer camps can be found on the township website, under the Recreation Department.

Happenings at the Wicoff House Museum

2022 was quite a year for The Wicoff House Museum! We were reminded how lucky we are to be part of this town and to celebrate its history. In 2022, we hosted over 10 successful events including a Sankranti celebration, Trivia/Puzzle Contest, Murder Mystery Night, our first Haunted House Tour, SnowFest and more. Additionally, we opened three temporary exhibits developed by our teen interns and hosted our first professional workshop for museum leaders called Teens in Museums.

Our youth groups have grown with over 50 active members in our Youth Advisory Council (YAC) program. Throughout 2022, YAC members (ages 11-18) developed events, created exhibits, assisted in archival work, conducted research and helped organize our historical collection. They have changed the way every aspect of our museum operates! We also had over 25 teens in our Summer Teen Internship program who worked on various projects including archival work, exhibit development, outreach and community relations. For children ages 6-10, our Junior Historians Club had a blast learning about public history, solving museum mysteries, and completing fun activities while utilizing the museum’s collections and grounds.

There is a lot to look forward to in 2023 for the Wicoff House. To start the year, our next temporary exhibit, “The School That Started a Town” will be open from January 29-April 23. Honoring Plainsboro’s first act as an official Township of New Jersey – this exhibit tells the story of how the citizens’ fight for safe and proper schooling led to the founding of what many call the “Education Township.” From the mid-19th century to the present, this exhibit illustrates Plainsboro’s oldest schoolhouses, compares educational tools used then and now, and offers new perspectives of the children and teachers during Plainsboro’s early years.

You can learn about all of the museum’s events, programs, exhibits and volunteer opportunities on our website at www.wicoffhouseplainsboro.com
Drop Unwanted Medications Off at Plainsboro Police Department

Since the spring of 2014, the Plainsboro Township Police Department has proudly served as a permanent collection site for unwanted medications. Anyone who has outdated or unwanted prescription medications or over the counter drugs may drop them off 24 hours a day at the drop box located in the police department lobby. This is an appropriate way to keep drugs from being stolen or taken by children who come across them. Committeeman and Public Safety Liaison Neil Lewis stated, “The continuation of this valuable service will help combat the overwhelming problem of drug misuse and abuse. It is important to have a safe disposal method for old and unwanted medications.” Visit https://www.plainsboronj.com/650/Prescription-Drug-Collection-Information to learn more.

A Seasonal Reminder About Drugs and Alcohol

Prom and graduation season are a time of celebration and achievement, but for many families it can also become a time of mourning. According to a study conducted by the National Highway Traffic Safety Administration, 32 people die daily in the United States from driving under the influence. Each year, during the months of May and June, alcohol and drug-related fatalities increase among people aged 17 to 24. Please talk to your children about the dangers of impaired driving, binge drinking, and using illegal drugs. In recent years, there has been a significant increase in Fentanyl-laced pills being distributed at parties and out on the street. Never take pills that are not prescribed to you by your physician.

Safeguard Your Child on the Internet

When your child signs on to the internet, they have the power to communicate with millions of people. Some are criminals that prey on innocent children. The Plainsboro Township Police Department offers the following suggestions to help you safeguard your children:

- Put the device in an area of the home where you can watch what your child is doing on the computer
- Look at your child’s profile on social-networking sites. This information is accessible worldwide
- Look at your child’s online “friends”. Ask your children if they really know who these people are
- Remind your children that once they post a photo or information online it can’t be taken back, copies may persist. You may someday find yourself having to explain an old post or embarrassing photo at a job interview or during a college application process
- Remember that even if your child is not active on the internet, their friends may have put their profile online for them
- Don’t put personal information on the computer/device that a criminal could piece together to figure out where your child can be found.

Use filtering software on your home computer and devices. These software suites can monitor your child’s internet usage, social media accounts, block chats, and filter content that may be deemed unsafe. A popular website for monitoring your children’s internet use and web filtering is http://www.opendns.com/. Programs available from this website monitor your computer and help protect your family from inappropriate internet usage.

You don’t need to be a computer expert to keep your children safe on the computer. Stick to the basics: Don’t allow them to talk to strangers! Get involved in your children’s social lives, and show them that you care.

Please check municipal or county websites for special early voting locations.

Pet Licenses
New Jersey State law mandates that all dogs six months of age or older be licensed. Applications are available for all new pets in the Township Clerk’s Office at 641 Plainsboro Road. Proof of rabies vaccination must be submitted with the application. According to state regulation, when licensing, the rabies vaccination immunity must extend through at least ten (10) months of the 12-month licensing period. Therefore, licenses cannot be issued if the rabies vaccination expires before November 1st of each year. If for any medical reason the animal cannot be vaccinated in the required time, form VPH-28 must be completed by the veterinarian and submitted with the form. Submit a copy of the spay/neuter certificate, if applicable. The license fees are $13.20 for spayed/neutered animals and $16.20 for non-neutered animals. Late fees of $5.00 per month are assessed as of February 1st.

*Due to COVID-19 we encourage residents to mail in the renewal form, payment, and rabies proof to limit the in-person drop off. Renewal forms are mailed to current licensees but can also be found on the township website at https://www.plainsboronj.com/297/Animal-Licensing
If you missed the Township Rabies Clinic in November please contact the Middlesex County Public Health Department at (732) 745-3100 for the listing of the county scheduled clinics held in the surrounding municipalities.

Vital Records
Vital records such as birth, marriage/civil union and death certificates are issued through the Township Clerk’s Office. For information regarding requirements, contact the office or visit the township website at https://www.plainsboronj.com/292/Birth-Death-Marriage-Vital-Records

Public Works Department 609-799-0099
Conservation & Recycling Center
Hours of Operation
Currently, the center is open on Saturdays from 10:00am - 2:00pm. As of April 1st, the center is open on Mondays and Thursdays from 5:30pm - 7:30pm and on Saturdays from 10:00am - 5:00pm.

Brush Collection Guidelines:
- Brush must be placed curbside by 7:00am the first Monday of your scheduled month and no earlier than seven (7) days prior. No brush should be placed in the street or on sidewalks and no closer than 10’ from any catch basin.
- Brush left curbside during non-scheduled months is subject to fines and removal fees.
- Trimmings from trees, shrubs and vines are accepted (max. 6 feet in length and 5 inches in diameter).
- NO roots, stumps, soil, grass or leaves.
- Brush shall be neatly placed parallel to the road with limb ends facing the same direction.

Brush Collection Schedule:
Section 1 – April, June, August, October - Beechtree Lane, Beechwood Drive, Brentwood Lane, Bunting Court, Cardinal Drive, Chandler Court, Cottonwood Court, Cypress Court, Dennison Place, Elm Court, Falcon Court, George Davison Road, Goldfinch Court, Grace Court, Groendyke Lane, Gulick Lane, Hale Drive, Hamilton Lane N., Hamilton Lane S., Hickory Court, Holohan Drive, Keppel Road, Kinglet Drive N., Kinglet Drive S., Krebs Road, Louis Court, Mackenzie Lane, Mahogany Court, Major Lane, Mapleton Road, Marion Drive, Meadowlark Drive, Mershon Lane, Mimosa Court, Mockingbird Court, Oriole Court, Osprey Lane, Parker Road, Parker Road S., Partridge Court, Perrine Road, Pine Court, Poplar Drive, Quick Lane, Red Oak Drive, Redwood Court, Rush Court, Saylor Court, Schalks Crossing Road, Seminary Drive, Serina Drive, Silvers Lane, Simonson Drive, Spruce Court, Tanager Lane, Titus Lane, Walnut Court, Willow Court, Woodland Drive, Wyndhurst Drive, Wyndhurst - North of Dey.
Section 2 – March, May, July, September – Adams Court, Alfa Circle, Allen Court, Amberty Road, Barley Court, Barlow Court, Barn Swallow Court, Barnyard Court, Birch Drive, Blossom Hill Drive, Bradford Lane, Briardale Court, Brookside Court, Camas Drive, Clinton Court, Clydesdale Court, Colonial Court, Cooks Lane, Cranbury Neck Road, Daisy Court, Derry Meeting Drive, Dey Road, Dickinson Court, Dogwood Drive, Drayton Lane, Dryer Court, Edgemere Avenue, Eiker Road, Elsie Drive, Farmhouse Drive, Franklin Drive, Gardenia Court, Grovers Mill Road, Hancock Court, Harvest Drive, Hawthorn Drive, Heath Court, Heritage Way, Heron Court, Hilltown Court, Hummingbird Court, Jeffers Road, King Haven Court, Knight Drive E., Knight Drive W., Larkspur Drive, Linden Lane, Linden Lane S., Lovell Drive, Madison Drive, Maple Avenue, Marshall Court, Mayfair Terrace, Meadow Drive, Mifflin Court, Millstone Court, Monroe Court, Narrowbrook Court, Nostrand Road, Okeson Street, Orchard Lane, Orchid Drive, Paddock Drive, Parkway Avenue, Pasture Lane, Petty Road, Plainsboro Road, Pollak Court, Pondview Road, Prospect Avenue, Railroad Avenue, Ruedemann Drive, Rutledge Court, Scotts Corner Road, Sherman Court, Silo Lane, Stanton Court, Stone Meadow Court, Stults Drive, Sullivan Street, Sycamore Drive, Trumbull Road, Walker Gordon Drive, Webster Court, Wethersfield Road, Wheatsheaf Court, Windmill Court.

Curbside Recycling
Scheduled pickup dates for this quarter are:
March 13, 27
April 10, 24
May 8, 22

2023 Bulk Waste Days
Bulk items such as furniture, appliances, electronics, bicycles, etc., will be accepted at the Conservation Center from 8:00am to 5:00pm on April 1, June 10, August 12 and November 4.
