Important Tips for Firearms Applicants

After being fingerprinted at MorphoTrust USA, save your paperwork until the entire application process is completed. Your fingerprint results are electronically transmitted to the police department. If we do not receive the results, we will need the PCN on the bottom of your paperwork and the date you were fingerprinted in order to retrieve the results.

Prior to the purchase of your weapon, it is recommended that you take a firearms safety course to ensure the safe use of your firearm. Authorized gun dealers and shooting ranges should offer courses.

We recommend that you visit the New Jersey State Police website (WWW.NJSP.ORG) for all rules and regulations regarding the ownership and transportation of your firearm. New Jersey is one of the strictest states in reference to the proper transportation of firearms. We want to ensure that our residents are knowledgeable of the laws.

Always secure your firearm when it is not in your possession (i.e. Safe or Trigger Lock). As the owner, you could be held civilly liable if someone is injured with your firearm due to negligence on your part.
