

Winter Storm Alert

Plainsboro Department of Public Safety & Public Works

With a winter storm forecasted for our area, we are requesting the full cooperation of all residents to ensure our roadways remain safe and accessible.

Vehicle Removal Request

We strongly recommend that all residents remove vehicles from township streets before the snow begins.

! Why It Matters

When vehicles are parked on the street, plows cannot clear the roadway "curb-to-curb." This creates narrow lanes that impede emergency vehicles (Police, Fire, and EMS) and results in large mounds of snow left around your vehicle.

The 12-Hour Rule

Residents are asked to keep vehicles off the street for a period of 12 hours after the snowfall has stopped to allow crews to complete "final passes" and salt the roads.

Additional Reminders

Driveway Parking

Please move all vehicles into your driveway or designated off-street parking areas.

Fire Hydrants

If you have a hydrant near your property, please help our Fire Department by clearing a 3-foot perimeter around it.

Stay Informed

For real-time updates on road conditions and emergency declarations:
