

It Only Takes 10 Seconds to Break Into a Vehicle

THINK

Before you leave your vehicle...

- The easiest target is one that isn't locked
- Lock doors and completely close all windows
- Hide your valuables in the trunk
- Never leave valet key in vehicle
- Remove all electronic cords and mounts from sight
- Park in well lit areas
- Be observant of your surroundings
- Report any suspicious activity

If you are a victim:

- ⇒ Immediately report it to police by dialing 911 (better chance of catching the thief)
- ⇒ Immediately after calling police, notify your bank and credit card companies
- ⇒ See website for help:
